BiFab

Dear Colleague

GMB Scotland in BiFab

If you have followed any media coverage you will know that there has been a huge amount of work going on to secure work for BiFab.

The past 12 months or more have been really tough and there are still massive challenges ahead. However I am delighted that we are in a position where we do have work coming into the Arnish Yard. I will be at the Yard tomorrow as the first steel is cut for the forthcoming projects.

I look forward to seeing some of you tomorrow.

Gary Smith
