BLOCK THE ASDA – SAINSBURY’S MERGER

One question we always ask in GMB Scotland is: **What does the future look like for our members?**

Last month the Competition and Markets Authority (CMA) provisionally stated that the ASDA – Sainsbury’s merger cannot proceed without cuts to existing jobs and infrastructure. This is what we warned of last year – a widespread programme of closures to stores and distribution centres.

The truth is that if we leave this merger process unchallenged then the future outlook for your livelihoods is, at best, very uncertain. That’s not scaremongering, it’s a fact.

Our priority is the defence of your interests and that’s why we are campaigning to block the ASDA – Sainsbury’s merger. It’s bad news for jobs and communities across Scotland.

GMB Scotland has a vision for 2020 and beyond in ASDA, where your jobs and communities are safeguarded. To make this a reality, we need to campaign together to block this merger.

Get involved today!
