Dear Councillor Lyle,

I am writing to you on behalf of GMB Scotland members at Beechgrove Care Home in Perth. We are appalled by the IJB's decision to shut the home and back the call made by two councillors, who were at that meeting, to look at other options before closure.

You run the home, you pay for the home and you employ the staff there. You have the power to keep it open.

Our members have backed a call to take industrial action if nothing changes, and that isn't something we take lightly, but our members believe that the home can and should be saved.

Before we embark on the formal process involved in taking industrial action, I am willing to meet with you, and representatives of our members working at Beechgrove, to discuss any proposals you are prepared to make to avoid the necessity of our action. You will appreciate that this will need to be soon as time is now of the essence.

I look forward to hearing from you.

Yours sincerely

Vicki Leonard
